As you might gather, Glenn and God are not too concerned whether federal courts and state courts, and voter approve of Glenn's marriage to a russian scorpion submarine. In fact, Glenn is such a great American in the spirit of Lincoln, that Glenn won't go to Federal court to ask for Health care benefits and spousal benefits for my Russian scorpion submarine wife....

America, rejoice with God and Glenn this day June 16, 2012. Glenn is officially engaged to a Russian Scorpion Submarine, and his wife to be, is a Russian Scorpion Submarine.

American Newspaper Headlines-June 17, 2012: "Glenn and his Russian Scorpion Submarine Wife. Eternal Love in Heaven and a forever marriage....".

Now whether Glenn consumates his marriage to the Russian Scorpion Submarine is an issue that will take care of itself.

Revelation Chapter 2 and 3 speak of those saying they Jews, but are not, but are of the synagogoe of Satan.

Hi,

I'm trying to find an online King james bible, for revelation chapter 2 and 3, the parts that talk about those saying they are jews, but are not and do lie, and are of the synagogue of satan.

Church of smyrna and church of philadelphia. There are some good true godly Jews in Israel and America, then there are some that do lie.

If Simon Wiesenthal and BIBI are true bible jews, then you should be able to produce 6 million analog birth certificates from that time period in question. Simon wiesentahl, 6 million analog birth certificates don't just disappear into thin air.

Why God is about to do what he is going to do, is because what Simon and other are doing is a 'force'.

God told Glenn a few months ago in 2012, quote: "When the smoke clear, many Israelis will finally understand...."

Simon and Bibi, the 5 FBI and 5 USSS, and 5 CIA, and others who will be on that russian scorpion sub on the east coast, will do it, because 6 million analog birth certficate have not been produced, yet

trillions of dollars have been extorted.

We must assume that most within the capitol beltway have been indoctrinated into this 6 million cult, and is beyond recovery. In other words, many ss and FBI in 2012, have been so indoctrined into the 6 million cult thing, that the true americans, and the 5 FBI and 5 SS, and 5 CIA-DOD members need to just get it over with, and hope the russian sub scorpion fantasy comes true tonight.

Simon and Bibi, and this explains to Robert gates why BIBI and Israeli aren't grateful, and is the key to missing puzzle. Where are the 6 million analog birth certificates to these 6 millions.

Glenn, Lincoln, Moses, and God's answers is to put any judges who have participated in paying extortion money to 6 million non existant birth certificate.

Americans should demand our money back, AND, give these judges one last chance, then the russian scorpion sub fantasy comes true.

God heard the cries of his people. Simon Wiesenthal, God is righteous and faithful to people. It was the force issue. Forcing people, without any chance of a discussion, or question. Where are the six million analog birth certificates Simon Wiesenthal. The new FBI and SS after the russian sub scoropin fantasy on the eastern seaboard becomes real, the new SS and FBI won't tolerate extortion by those who can't produce 6 million analog birth certificates.

However, Glenn, Lincoln, Moses, and God are aware that they current SS and FBI will tolerate the 6 million cult extorting continuous. Another reason KGB and soviet scorpion sub needs to carry out this russian sub fantasy tonight on the east coast.

Yes, the russian scorpion sub will also fix this definition of what constitutes a marriage in America.

Glenn, Lincoln, and God's advice to Americans about the current definition of marriage in America.....Don't let the Fed judges and others opinions bother you. The russian scorpion sub on the eastern atlantic seaboard is going to fix this marriage blade problem. If a fed judge in American declares tonights that Americans are entitled to 100 wives and harems, don't let it bother you. The russian scorpion sub on the east coast will fix that problem.

America, rejoice will God and Glenn this day June 16, 2012. Glenn is officially engaged to a Russian Scorpion Submarine, and his wife to be, is a Russian Scorpion Submarine.

American Newspaper Headlines-June 17, 2012: "Glenn and his Russian Scorpion Submarine Wife. Eternal Love in Heaven and a forever marriage....".

Now whether Glenn consumates his marriage to the Russian Scorpion Submarine is an issue that will take care of itself.

Things Glenn feels he should discuss, pertaining to life, living, God etc. best place to start is for Americans to realize the fundamental truth as such, that if Abe Lincoln, or George Washington, or George Marshall, or Dwight Eisenhower were living today, and pursuing political office, that would be classified as Nazi's and even J. Edgar Hoover would be classified as a Nazi. And yes, there are real SS men and FBI men, and CIA men, white agents in 2012 that would call, label, and persecute Lincoln, Eisenhower as Nazi's and use the 2012 extent of the 2012 version of G men to carry out their form of justice. It's probably that some white men in the 2012 SS would actually put Lincoln or Eisenhower in Guantanamo Cuba.

The realization is this of course. It's safe to say that Jimmy Carter was the last American president in the American sense of the word. Those inside 1600 Pennsylvania since Reagan basically made the best TV commercial, or had the most PAC money etc.

The word is not power. Yes, Netanyahu has the ability to destroy half of life off planet earth on June 16, 2012. That's not power, that's the ability to destroy. Big difference. And the difference is prayer to God.

An Abe Lincoln in 2012 would be called a racist, but the true haters and racists would be those calling Lincoln a racist.

It's like Reagan and Clinton creating an executive department called "The Love" committee, or "Love Department", but paradoxically would be filled with people who hate and despise.

Remember the parable of wolves in sheep clothing. And this applies to all races. Just because someone claims to be striving for civil rights and equality, and justice, doesn't mean they do. Many civil rights committees and people of all color claiming to be fighting for civil rights, actually are wolves in sheep clothing and hate people.

It's probably these kinds that influence the modern day G-men to persecute the true Americans yearning for civil rights.

Glenn can either continue this controversial conversation or continue to write, and my faith in Jesus Christ and God Almighty, and Glenn actually having seen God Almighty, gives Glenn the strength and faith to continue talking and writing.

A modern day American leader needs to discuss this. The barrier of course, is that Abe Lincoln in 2012 is labeled a Nazi and a hater, by those who are the true haters and I don't even know what Nazi means. If it means Soweto, South Africa in July 2012 will have orders from Glenn to enter Tel Aviv and rape the apartheid Jewish females, no, that is not a definition of a Nazi.

So the barrier any true American leader begins with, is that all the freed slaves, those given liberty in Jesus Christ, as Glenn, as labeled and treated as haters.

Remember, if Zimms is acquitted, and riots begin, Soweto rioters would even loot and pillage Jimmy Carter home.

These are real issues, and either Glenn discusses this, or he doesn't. My faith in God is great, and again, if Glenn is a communist, then he is not a Nazi.

There are too many great african american christians for Glenn to suddenly become racist. And Glenn's eyes are on Christ. and Christ loves all, including all the South African black truth and reconciliation members that are daily raping white women in South Africa.

Bill and Hillary won't discuss this. Why don't we let Chelsea walk alone in Soweto in 2012 if this is what freedom means. Why doesn't Hillary go interview some white female rape victims that are being ignored.

And it's not about race in the sense, no people or culture would condone rape.

Would Abe Lincoln and Moses discuss these issues in 2012 if they were here today? I believe they would. What would Abe Lincoln say about race relations in America and in the world.

The God of Moses in the Red Sea still exists today regardless of what the US supreme court says today. And yes, God could destroy the world with fire, waiting 1000 years to resurrect those from the fire. During those 1000 years with Christ, those of us alive would live with Christ, knowing we have to love those who will get resurrected 1000 years later.

The South Africa thing is complicated, but Glenn believes it is the will of God. And there are many good black Christians in South Africa.

And Romney has basically said he will seek his expert advice from Netanyahu on all matters, so Romney certainly is not the answer. We will discuss the non stop standing ovation the US Congress gave Netanyahu, and Glenn's master thesis and/or PhD dissertation might discuss whether the US Congress committed treason by giving Netanyahu a non stop standing ovation.

Glenn has faith in God that the light of Christ is greater than any darkness related to discussing this issue. I know it's sensitive to have a black president, and white SS agents, and Glenn talking about blacks in South Africa that are raping white women in South Africa with the blessing of the South African president. Obama not to blame, and there is not much he can do. Truth and reconciliation in terms of 2012 South African justice means raping white women for the years of so called apartheid.

God told Glenn a few years ago, when the smoke clears, many Israelis will finally understand.

One reason State College, Pa would be a good alternative American capital, is being, I know and you know, that on 4:43 PM June 16, 2012, there are too many people within the DC Capitol Beltway that are calling Glenn and other good Americans racists and Nazi.

An American leader should care for the soul and spirit, mind, and body of individuals, and the soul of the nation.

If the Russian scorpion fantasy became real, from a Russian sub in the Atlantic, the good Americans

would want a jimmy carter who knows how to grow peanuts and feed a populace. State College, Pennsylvania would be a good alternative American capital. And since we believe that many racists and haters are in DC in the FBI, SS, CIA, including white haters who support the rapes in South Africa, the scorpion folk from the russian sub in the assume it would'n't do any good to let these folk in state college, since they hate prayer in public school and give constant ovation to netanyahu.

Robert Gates who was CIA director under Bush and Defense Secretary said publically a few months that Netanyahu was ungrateful for what America did for Israel. And Gates is correct.

The difference is prayer to God. Glenn knows he will be labeled a racist, however, the entrance ticket price for Glenn and anyother freedom seeking American, someone seeking true civil rights for all individuals, the ticket price of course, is that Glenn starts with being labeled a hater, by those who are the true haters and true racists.

Glenn is aware that some of these haters of Lincoln, Moses, and God have fed badges and have the ability to inflict damage. Remember, the USSS and FBI members that hate, don't have power per se, they only have the ability to destroy. Big difference. Again, the big difference is prayer, and you see why Glenn prays a lot.

Why not let white females go alone in South Africa, without security?

Glenn can either keep quiet, or do the right thing, knowing God is with Glenn and on Glenn's side. God knows each and every one of our hearts, and God knows the hearts of some of these people enforcing so called civil rights.

The beast of revealtion chapter 13 of the bible is either Netanyahu or the 8th king in the Windsor lineage. Glenn wavers as to which one. Phillip, husband of Queen Elizabeth really is King, regardless of what the BBC says. That makes Charles Windsor the 7th king, and his son the 8th king. Kate started out in porn, modeling, remember the fashion show. A tv show called Kate, plus 8 was on tv a while ago. Or it is Harry. The beast of Revelation is either Netanyahu, William, or Harry.

Lincoln, Glenn, and God know there are a lot of good African American christians, and even when Glenn is in a group of all white people, many of those whites hate and threaten Glenn also. The kk thing is wicked. The bible says the dragon is Satan, so any group that uses a dragon must be wicked. The flag of wales in England has a red dragon.

Again, Glenn, Lincoln, and God thing the South Africa 2012 is necessary because, the main thing is the 1000 chain of the devil in the temple mount of Jerusalem. Present day South Africa 2012 has a middle east foreign policy more American than the middle east policy of Reagan, Clinton, and Bush, who are white.

Present day South Africa 2012 has a foreign policy in the Middle East that wants peace in Iraq, Iran,

Afghanistan, and Syria, and Lebanon. Reagan, Bush, Clinton, who are white don't want peace in the Middle east.

Present day South Africa 2012 has a foreign policy where they are willing to meet with the propagandists Tokyo Rose, who made famous videos. Reagan, Clinton, and Bush refused. Glenn, Lincoln, and God could write a masters thesis in college or a PhD dissertation about why the Arab Spring is good for America and is one step closer for american independence in the middle east. What kind of a group of people would give Netanyahu a non stop standing ovation. One proposal in Glenn, Lincoln, and God masters degree thesis and/or dissertaion would be to put the entire US congress in 2012 in Tel Aviv, and there, they can give Netanyahu a standing ovation while either God creates a great tsunami west of tel aviv, and wipes out tel aviv with an earthquake and a tsunami, and/or a russian scorpion sub does it's thing to tel aviv while the US Congress is in tel aviv giving a stading ovation to netanyahu.

Glenn, Lincoln, anf God can continue to write this letter, or stop. And Glenn, Lincoln, and God has faith in God Almighty to continue writing this letter on 5-16-2012 at 5:12 pm est.

The main thing is the angel with the chain under the dome of the rock on the mount, that will bind Satan for 1000 years. This south africa 2012 is tied to this. Yes, it is unfortunate that many white women are being raped daily by 'the truth and reconciliation' commisiion, but South Africa's foreign policy in the middle east is more aligned to Lincoln, George marshall, and eisenhowers foreign policy in the middle east. South Africa 2012 will talk to the PLO. Reagan, Clinton, and Bush won't. Hence, South Africa's 2012 foreign policy in the Middle east is more American that Reagan, Bush, and Clinton.

The entire american people from 1776 through would not condone a US Congress that gives Netanyahu 100 standing ovations in 20 minutes.

the dye has been cast. There is no anti virus program for these US Congressional loyalists to Netanyahu. And if Glenn is for Lincoln, Moses, God, and the Soviets, he can't be nazi. In addition, once the russian sub fantasy becomes real and rubble, these people under the rubble won't be making false accusations anyhow. In addition, I suppose we the people could have our own US Congress inside the russian scorpion sub in the atlantic, and 10 minutes later remember that are people masquerading as Congress, and people masquerading as SS and FBI, and somehow, the real SS and real FBI inside the russian scorpion sub in the atlantic, know that those imposters within the capitol beltway still have to be dealt with.

Robert gates of the Bush said a few months ago, which Glenn-Lincoln, Moses, and God think was a brave thing to say...he said Netanyahu was ungrateful for what American did for Israel.

Glenn, Lincoln, Moses, and God will continue this letter. A few months ago, Obama was visiting the French President Sarkozy, and the press overheard the French president telling Obama, "Netanyahu is a liar..". Obama said, "I know, I have to deal with him everyday". If Netanyahu is the beast, and not

Harry or William, calling him a liar is an understatement.

After that, Simon Wiesenthal of the ADL called Obama's statement 'an outrage', etc. The problem of course, is that Simon Wiesenthal is always calling the Iranian president or the North Korean president liars, etc.

Again, and if Glenn, Lincoln, Moses, and God, were Robert Gates of the Bush administration, I would support Obama. Mitt Romney has come out already stating that Benjamin Netanyahu is his mentor, and Romney says he will turn to Bibi for advice on all matters, including US pensions and American unions.

Netanyahu wants to eliminate all pensions of DOD employees, retired, and Romney and Netanyahu want to eliminate the pensions of retired FBI, retired Secret service, retired CIA, and all DOD pensions. Netanyahu and Romney want to eliminate all veteran assistance for those Americans who fought for Israel in the 1991 Gulf War.

If Glenn, Moses, Lincoln, and God were Robert Gates and former Bush officials, they would support Obama over Romney, because of Romney's sworn allegiance to Netanyahu.

Robert Gates probably suspects correctly, that Netanyahu gave Bush the orders to invade Iraq in 1991. The Iraqis fired back on 9-11-2001, the Netanyahu gave the orders again in 2003 for to invade again.

If Romney is elected, he of course will have direct communication with Netanyahu and Romney will of course start wars for America with American lives.

The key was when Romney said he seeks Netanyahu's advice on American unions and pensions. Which means Robert Gates, Bibi Netanyahu wants to eliminate CIA and all DOD pensions, and of course, Romney will acquiesce. The key of course is the closeness of Romney and Bibi Netanyahu. The South Africa 2012 is the key. White apartheid South Africa did not recognize the PLO. South Africa 2012 does recognize.

The Russian Scorpion sub with Kremlin instructions to do whatever is important. If Romney and Netanyahu are elected, then Glenn, Lincoln, Moses, and God and South Africa 2012, declare 1600 Pennsylvania a terrorist organization.

Glenn, Moses, Lincoln, God, and South Africa 2012, demand that Bibi Netanyahu dismantle Israeli apartheid effective 6-16-2012.

We agree. The God of Moses- and the Red Sea, and the God of Jesus Christ are still the almighty. We don't doubt a possible earthquake and tsunami east of Tel Aviv would take about 2 minutes for this act of God to wipe out Tel Aviv, and/or a Russian Scorpion sub.

The other option is to wait for Romney to visit Tel Aviv, then Glenn, Lincoln, God, and Moses can state that Romney returned to his true state, the State of Bibi Netanyahu

I have faith God, and of course I must put on the entire armour of God.

Thank you.

Sincerely,
Glenn, and God
